CLD | MATERIALS

COMPANY PROFILE

ORLANDO, FLORIDA / MATERIAL SOURCING & WHOLESALE SUPPLY

Materials for the work ahead.

CLD Materials is an Orlando-based, minority-owned business focused on material sourcing and wholesale supply for contractors, resellers and commercial buyers.

PRODUCT & SOURCING CATEGORIES

HVAC equipment & accessories

Mini-splits, related equipment and installation accessories.

Filtration

Air filters specified by dimensions, MERV rating and application.

Valves, pipe & fittings

Water, heating and application-specific flow-control products.

Furniture & cabinetry

Cabinetry, vanities and project furniture inquiries.

Containers & chassis

New and used equipment; size, condition and location reviewed.

Building materials

Project inquiries for panels, roofing, insulation and related products.

FOR BUYERS

Send the product specification, quantity, delivery ZIP and target date. Product pricing, freight and outstanding conditions are reviewed before a purchase commitment.

FOR SUPPLY PARTNERS

Share catalogs, dealer eligibility, minimum orders, dispatch locations, lead times and commercial terms. Dealer appointments are subject to supplier approval.

MARKET FOCUS

Florida-focused, with Southeast sourcing and delivery requirements reviewed individually. Availability and fulfillment are confirmed per inquiry.
